To CS289 Instructors:

I am the faculty advisor for Catherine Weaver and I confirm that I support her project for the Project F option in CS289 to learn racing strategies from geometric track features. Her group consists of Catherine Weaver, Sara Shonkwiler, and Jose Zavala. I will provide their group guidance and lend support as necessary for the project, including support from two postdoctoral students in our group.

A handwritten signature in black ink, reading "Masayoshi Tomizuka". The signature is fluid and cursive, with the first name "Masayoshi" and last name "Tomizuka" clearly distinguishable.

Masayoshi Tomizuka
Cheryl and John Neerhout, Jr. Distinguished Professor
